## Warranty Information

All new equipment sold on our website is covered by a manufacturers warranty. The warranty on equipment we sell varies from manufacturer to manufacturer. No manufacturers warranty covers failure of a product if caused by unreasonable or abusive use or if the customer alters the product in any way or if the customer fails to provide reasonable & necessary care. Please note that all products on our website are designed for home use and carry a home use warranty only, unless stated otherwise. Equipment purchased from our website and used in a non domestic environment will render the warranty null and void unless the equipment description states it is suitable for commercial use.

If you have any questions regarding the warranty on a product or require clarification of the terms for particular products please contact and we will be happy to supply these for you.

## Refund Policy

Refunds will normally be processed within 2 working days of receipt of the returned goods to the payment method used by you when purchasing the goods.

Simply let us know of your intention to return within 30 days after the day you receive your goods. We will acknowledge your communication and authorise you to return the item to Workout For Less Ltd.
